### Homework

Helping your child at home practice the skills that we work on in school will help them achieve their 4K goals. This week please help them with the following learning skills:

✓- Use the take home book “I found a leaf” to work on positional words and repetitive text.

✓- Learning Target: I can extend a pattern (Your child will be working on a specific learning target every week- As this becomes routine, they should be able to share with you what the learning target is and something they did in the classroom related to this target)

### Curriculum Update

#### Math

Our focus this week will be extending patterns with pom poms, putting the correct amount of leaves on pages in the book, “Fall Leaves”, more worksheet with leaves, and placing objects with the correct category.

#### Small group

We will be extending leaf/apple patterns, we will be placing leaves based on positional words and noticing repetitive text in our take home book, “I found a leaf”, and making a graph based on the amount of fall objects.

#### Literacy

We will listen to the story “Were Going on a Leaf Hunt”. We will graph our favorite leaf color.

#### Art

We will make leaf rubbings.

#### Second Step

Feelings- Sad

#### O&H Kringle

Orders are due Monday, November 5<sup>th</sup>.

They are delicious!

#### Fall Party

A VERY special THANK YOU to our AMAZING Room Parents for the FANTASTIC Fall Party! The students had a BLAST!

Thank you to all the Parents who donated supplies for the party! Your support was greatly appreciated☺

### NOVEMBER BIRTHDAYS-

Happy Birthday Kaden F., Blaze and Julian!!
