### Homework

Helping your child at home practice the skills that we work on in school will help them achieve their 4K goals. This week please help them with the following learning skills:

✓- Practice writing the letters in their name. A letter demonstrating how to form letters for name writing will be sent home Thursday. To get ready for Kindergarten we will work on the first letter being uppercase & the rest of the letters lowercase.

✓- Patterns: AB pattern, just like their bracelets that came home. You can use M&Ms or cereal. Choose only two colors and support your child to make a pattern (ex. red,blue,red,blue...) or (red blue blue red blue blue)
