**The Students are doing a FANTASTIC job transitioning to centers, learning the rules at school and working together with their peers. We are so PROUD of our Students 😊**

**If your child wears shoes other than gym shoes to school, please send a pair of tennis shoes to keep at school. We go to the gym on rainy or cold weather days.**

### Homework

Helping your child at home practice the skills that we work on in school will help them achieve their 4K goals. This week please help them with the following learning skills:

✓- Holding their writing tool between their thumb and pointer finger close to the tip of the writing tool.

✓- Reading their take home book, “Brown Bear, Brown Bear What Do You See?”  
Read the story to your child and encourage them to read along with you or read the story back to you.
